

July Holiday's

Independance Day

July 4th, 2023

We have so many Birthdays in the month of July that we are not able to fit everyone in this space. We will do a July Birthday insert so we do not forget any of our residents.

What a great time we are having at American House of Milford!

We have had a wonderful start to our summer, trips are going well and residents are outside visiting with others. Our raised flower beds have been planted along with our herbs to be used in our meals. Thank you to your resident gardeners who helped.

Our trip to Genitti's Hole in the Wall in Northville, Mi. with four other locations of American House was wonderful. The food was like eating at Grandma's house and the show was fun! Anna's house in Milford was well worth the wait while it was being renovated and preparing to open. Our breakfast was delicious (and plentiful) and we all went home full.

Some of our trips coming up include: Kensington Beach, lunch and boat ride around the lake. Holden's chicken, sides, dessert and drinks will be provided by both American House locations that will be attending. Wilderness Trails Zoo in Birch Run will allow us to take residents to a smaller zoo with much more ease and convenience for all.

We have a new service coming to Milford. Michigan Secretary of State reached out to us to see if we would be interested in them coming to American House to provide their services. This would include all services that are provided at a Secretary of State location, except a first time license holder. This service will be available to residents, families and staff if it goes well this may be a recurring quarterly service.

Last but not least we will be making changes to our Patriot and Connected Living. We are going to use a new platform based on health and wellness. It is called Living Well and it will have articles inspiring a happier healthier you. The new platform will start in the month of July.

OUTINGS

7-5 Open Transport - White Lake

7-7 Kensington Boat Ride/Lunch

7-11 Open Transport - Milford

Let's welcome Suzee B. back to Milford American House!

Our trip to Anna's House in Milford was worth the wait!

Abe Lincoln and Libby enjoyed the Memorial Day Parade!

Gary had to stop by the VFW to get a picture with thier tank

Thelma joined our Corn Hole group, what an addition to the team!

AMVETS bring FLAG DAY Celebration to Milford American House

Greetins from Nina

I am enjoying these beautiful summer days and love the longer evenings and I hope you are as well. Please remember to stay hydrated especially with these high temperatures recently. We might think we are nurturing our garden, but of course it's our garden that is really nurturing us. - Jenny Uglow Respectfully yours, Nina Schrock
