Patagonia

The name Patagonia comes from the word patagón. Magellan used this term in 1520 to describe the native tribes of the region, whom his expedition thought to be giants. The people he called the Patagons are now believed to have been the Tehuelche, who tended to be taller than Europeans of the time.

Argentine researcher Miguel Doura observed that the name Patagonia possibly derives from the ancient Greek region of modern Turkey called Paphlagonia, possible home of the patagon personage in the chivalric romances Primaleon printed in 1512, 10 years before Magellan arrived in these southern lands. This hypothesis was published in a 2011 New Review of Spanish Philology report. There are various placenames in the Chiloé Archipelago with Chono etymologies despite the main indigenous language of the archipelago at the arrival of the Spanish being Mapudungun. In Chubut Province modern toponymy comes from the word “chupat” belonging to a transitional language between the southern and northern Tehuelche ethnic groups that were located in that region called Tewsün or Teushen. It is also related to the origin of the Welsh pronunciation of the word “chupat” that later became “Chubut”. It is called “Camwy” in Patagonian Welsh. Chupat, Chubut and Camwy have the same meaning and are used to talk about the river and the province. Welsh settlers and placenames are associated with one of the projects of the Argentine state, Project Hiraeth. That person could be a citizen from Chilean Patagonia, Argentine Patagonia, or of native communities that existed before the land was divided by The Boundary Treaty of 1881. Patagonia is divided between Western Patagonia (Chile) and Eastern Patagonia (Argentina) and several territories are still under dispute and claiming their rights. Mapuche people came from the Chilean Andes and voted to remain in different sides of Patagonia. Welsh settlers came from Wales and North America and voted to remain in Patagonia, when the treaty was signed, they voted for culture and administration to be apart from the country keeping the settlement, language, schools, traditions, regional dates, flag, anthems and celebrations.

Happy Father's day

To our wonderful Daddy's!

Father's Day

Father's Day is a holiday of honoring fatherhood and paternal bonds, as well as the influence of fathers in society. In Catholic countries of Europe, it has been celebrated on March 19 as Saint Joseph's Day since the Middle Ages. In the United States, Father's Day was founded by

Sonora Smart Dodd, and is celebrated on the third Sunday of June for the first time in 1910. The day is held on various dates across the world, and different regions maintain their own traditions of honoring fatherhood.

How did "Flag Day" start? (June 14th)

When the American Revolution broke out in 1775, the colonists weren't fighting united under a single flag. Instead, most regiments participating in the war for independence against the British fought under their own flags. In June of 1775, the Second Continental Congress met in Philadelphia to create the Continental Army—a unified colonial fighting force—with the hopes of a more organized battle against its colonial oppressors. This led to the creation of what was, essentially, the first "American" flag, the Continental Colors. For some, this flag, which was comprised of 13 red and white alternating stripes and a Union Jack in the corner, was too similar to that of the British. George Washington soon realized that flying a flag that was even remotely close to the British flag was not a great confidence-builder for the revolutionary effort, so he turned his efforts towards creating a new symbol of freedom for the soon-to-be fledgling nation.

DID YOU KNOW AMERICAN HOUSE COCONUT POINT IS ON FACEBOOK?

We love to share what's happening at American House! Stay "in the know" by liking and following our Facebook page. Follow these 4 easy steps and soon, you'll see posts and pictures from American House Coconut Point in your Facebook News Feed.

Step 1: Go to www.americanhouse.com. 2: Find American House Coconut Point by searching under "Our Communities" at the top center of the page. 3: Once on our website, click on the Facebook icon located in the center of the page to the right of our contact information. 4: Click the "Like" and "Follow" buttons located underneath our community's cover photo. It's that simple! We look forward to sharing our community news with you.

June flower is the Rose

The rose has long been a symbol of love, beauty, and affection. Each color rose holds a different meaning. A red rose means 'I love you' and is a sign of romance; pink represents happiness and admiration; a white rose symbolizes innocence and purity; orange means desire and excitement; yellow represents cheer and happiness.
