Notes from Interim Executive Director

Welcome to June East I and Villa Family!

As you may have noticed, Jackie is no longer with us. However, our Corporate leadership team is actively working to find us a fantastic candidate.

Please know that my door is always open to you and your family to discuss any concerns you may have. In the meantime, I invite you to participate in all we have to offer, from dining selections to events and outings.

For our newer residents, please take advantage of the Guardian Angels program. The Guardian Angels wear name tags and can answer questions, offer directions, and help make the transition to our community easier.

Thank you for being the very best part of what makes East I so special!
