COME FLY WITH ME! PATAGONIA

Dipping in and out of the clouds, the jagged peaks of Patagonia are considered to be among the most magnificent, and dangerous, on earth. They represent both the explorers and natives who inhabited the area, those who were able to survive the harsh landscapes. In the southernmost part of South America, Patagonia occupies 260,000 square miles spanning Argentina and Chile with Andes Mountains as its dividing line. The region is known for

dramatic mountain peaks, an abundance of glaciers, and an array of unique wildlife. We'll be exploring this breathtaking region all month long with a Tango & Tapas Happy Hour event, a Gaucho Fiesta & Cowboy Party, a Patagonia photo tour, a Patagonia cooking demonstration with our Culinary Chef, Colleen, and so much more.

Enjoy your time in Patagonia!!
