Lost Luggage Of Patagonia

Ypsilanti Carpenter American House

Welcome Summer June

We welcome warm weather and good friends, where we explore whats in store for us in the summer heat, and blue skies. As we travel through the month of June we will be exploring Patagonia! We will be

learning the language, the cultures and the food of the wondrous region of south America. Come travel with me across the world and learn different ideas, and a way of living.

Lost Luggage

Be on the lookout for a lost luggage in our community! If found bring to Mallerie and you will receive a prize!

New Resident event

let's enjoy our new American House residents and welcome them to their new home. We will celebrate our new residents with love, support, and good times!

Guacho Fiesta Event

Get ready for a wonderful event with fun filled food, and drinks as we celebrate Guacho Festivites. We will get to know their culture and travel to another place in the world. Come and enjoy the fun as we party, cherish other peoples laughs and backs grounds.

Resident Council

Come and join resident council as we share our thoughts and feelings of the community. Tell us your thoughts and ideas in resident council as we want to know what will help you in American House.
