

**Medical Transportation**

Every Thursday we provide our residents with complimentary transportation to medical appointments within a ten mile radius of our community. Please schedule your appointments with John Ingison.

He can be reached at (734) 558-0493

*Come See Dr. Rives!*

**Podiatrist Appointment**

On February 15th Dr. Rives our podiatrist will be coming to visit. Appointments will be held in the craft room starting at 9am. If you are a new patient and would like to sign up please do so at the front office and please fill out the new insurance form you will be given for the time of

service. If you are an existing patient you may have signed up at your last appointment but if you have not done so please sign up at the front desk as well. See you soon!

*African Savanna*

**Valentines Serengeti Soiree**

The Serengeti, located in northern Tanzania, is comprised of approximately 12,000 square miles of protected ecosystem. Aside from its large lion population, Serengeti is also home to approximately 70 large mammals and 500 bird species, making this a wonderfully

diverse habitat that includes swamps, grasslands, woodlands, and riverine forest. It is home to the second largest terrestrial mammal migration in the world.

On February 17th we will be having our Valentines Serengeti Soirée Luncheon in the Dining Room starting at 11:45am. Let's go on a Safari we can't help but LOVE....on this romantic adventure to the Serengeti!

**This Month in History - February**

1564 - Astronomer and physicist Galileo Galilei was born in Pisa, Italy. He was the first astronomer to use a telescope and advanced the theory that the sun, not the earth, was the center of the solar system.

1732 - George Washington was born in Westmoreland County, Virginia and later became the first U.S. President.

1847 - American inventor Thomas Edison was born in Milan, Ohio.

Throughout his lifetime he acquired over 1,200 patents including the incandescent bulb

1870 - The 15th Amendment to the U.S. Constitution was ratified, guaranteeing the right of citizens to vote regardless of race.

1910 - The Boy Scouts of America was founded by William Boyce in Washington, D.C., modeled after the British Boy Scouts.

1962 - Astronaut John Glenn became the first American launched into orbit.

*We appreciate your participation!*

**Activity Sign Up**

During the course of the month we have activities and outings for all to enjoy! It is required that anyone who would like to participate please sign up at the front office or with the LED for activities. That way we can ensure an accurate count for who all will be attending. If we have an

outing, it is required that we have 5 or more signed up. If not we must reschedule for another day. Thank you for your participation and we hope to see you soon!

**Happy Birthday!**
