

Our Resident Council Meeting will be the second Thursday, May 9th from 2-3 pm in the Dining Room.

“What is so sweet and dear
As a prosperous morn in May,
The confidant prime of the day,
And the dauntless youth of the year,
When nothing that asks for bliss,
Asking aught, is denied,
And half of the world a bridegroom is
And half of the world a bride?”
- Sir William Watson, Ode in May

Mother's Day

The month of May brings us Mother's Day, the gentlest holiday of the year.

You don't need to be a mother to celebrate Mother's Day, a holiday that celebrates the sacred bonds between a mother and her children and the love that they feel for each

other. As Cardinal Meymillod said, "A mother is she who can take the place of all others but whose place no one else can take." The lovely thing about Mother's Day is that it does not matter how near or far or how old we are- we can all continue to celebrate the unconditional love in our lives that nourished us.

We hope everyone in our Hunter community will join us in celebrating the mothers among us and those sacred family ties on May 12th.

Upcoming Activities and Changes to Note:

- We have a new volunteer for Arts & Crafts, Dawn from The Medical Team. She brings a wealth of new ideas and hands on experience with Arts & Crafts, which will continue to be on Wednesday mornings from 10-11 am in the Cafe. We're lucky to have her!
- Angela will continue to provide transportation to Doctors Appointments Thursday Mornings until John returns. Except May 2nd when she has a mandatory corporate meeting to attend.
- Memorial Day is Monday May 27th and the Community Store will be closed that day. It will instead be open Tuesday May 28th from 2:45-4 pm.
- Monthly Birthday Parties will now be celebrated the last Wednesday of every month after supper with a live performer. We hope all our residents will like this more festive community party!
- It was wonderful having the Hugabug preschool visit and many residents requested they visit again with a quickness! They also really enjoyed their visit and will be back every month. Everyone is welcome to read the children one of the books they'll bring.

Dear Residents,

Please take a moment to join us in welcoming our two new additional Office Support staff this month! Aimee Serich has been a valuable member of our culinary team and she is looking forward to broadening her horizons here at American House. Janna Bellows also works at

American House Carpenter.

Some of you will have received a trifold brochure from the U of M School of Nursing about participating in a research study on physical activity of residents in communities like ours. This study is open to everyone who is not currently using a wheelchair, walkers and canes are ok. This is a valuable opportunity, not only will participants be compensated for their time, they will also have the satisfaction of knowing they've helped shape the future of health care for older adults!

Go Red! Go White! GO BLUE!

American House and
U of M School of Nursing need you!
Help shape the future of health care.
