Look who is turning "100"

June was born July 14, 1923 in Lockport, Illinois and was a long time resident. She finished her education and married her High School sweetheart, Arthur in 1943. He was drafted in the Army and returned 3 years later. They had 2 sons Robert and Arthur and 22 great/grandchildren,

unfortunately her oldest son Robert passed away in 2019.

June has had many hobbies throughout the years. She remodeled old houses, collected antiques, and even joined a painting group that she painted with for 38 years until she turned 90 in 2013.

She also joined the Will County Historical Group (WCHS) in 1973 as a volunteer for 35 years where she worked in membership and guided tours.

After the death of her husband in 2010 she started knitting with a group for many years to keep her self busy. She knitted infant blankets for charity, which she has completed over 38. Her other hobbies also include reading historical novels.

June states that she is very thankful and feels blessed to be able to do all these activities at nearly 100 years old. She moved to American House, Cedarlake in 2020 and has made many friends. She moved here to be close to her granddaughter in Plainfield.

She hopes to continue knitting and attending Catholic Services here at Cedarlake and enjoying the company of her friends.

Every Friday at 2pm the ladies get together to knit and reminisce. She welcomes anyone who wants to come and join in some great conversations.
