and our monthly lunch outing. End of the month we will celebrate all the July birthdays together.

The Great Lakes

This month we will be exploring the states surrounding the Great Lakes. With our amazing Chef and kitchen staff making their themed meal on the 26th along with their cooking demo the same day. We will also be having a Motor City happy hour. Shark Week happy hour. A trip to the Boulder Ridge Animal Park

This Month in History - July

1775 - During the American Revolution, George Washington took command of the Continental Army at Cambridge, Massachusetts.

1790 - The U.S. Patent Office first opened its doors. The first U.S. patent was issued to Samuel Hopkins of Vermont for a new method of making pearl ash and potash. The patent was signed by George Washington and Thomas Jefferson.

1862 - President Abraham Lincoln signed the first income tax bill, levying a 3% income tax on annual incomes of \$600-\$10,000 and a 5% tax on incomes over \$10,000. Also on this day, the Bureau of Internal Revenue was established by an Act of Congress

1943 - During World War II, in the Battle of Kursk, the largest tank battle in history took place outside the small village of Prohorovka, Russia. About nine hundred Russian tanks attacked an equal number of German tanks fighting at close range.

Independence Day

On the fourth we will be participating in the Kentwood Parade. Ride the bus or walk in the parade with staff. Family and friends welcome to join!
