Cinco de Mayo, ("Fifth of May") also called Anniversary of the Battle of Puebla, holiday celebrated in parts of Mexico and the United States in honour of a military victory in 1862 over the French forces of Napoleon III. Cinco de Mayo is celebrated on Thursday, May 5, 2022. Cinco de Mayo is not to be confused with Mexican Independence Day, which falls on September 16. The latter holiday was established in 1810, some 50 years before the Battle of Puebla occurred.

Cutter MACKINAW

The United States Coast Guard Cutter MACKINAW WAGB-83 was built as part of the war effort during World War II to meet the heavy demands placed on industry for an increase in production of war

materials. Tremendous increases in the movement of iron ore, limestone and coal for the nation's steel mills were particularly necessary. In order to keep tonnage on the move into the winter months an icebreaker was needed. Congress authorized construction of MACKINAW on December 17, 1941, ten days after the attack on Pearl Harbor.

Join us on Tuesday May 31st at 2:30p with special guest speaker Mike Fornes as we learn more about the Ice Cutter Mackinaw!

This Month In May

1494 - During his second journey of exploration in the New World, Christopher Columbus discovered Jamaica.

1865 - Decoration Day was first observed in the U.S., with the tradition of decorating soldiers' graves from the Civil War with flowers. The observance date was later moved to May 30th and included American graves from World War I and World War II, and became better known as Memorial Day. In 1971, Congress moved Memorial Day to the last Monday in May, thus creating a three-day holiday weekend.

1881 - The American Red Cross was founded by Clara Barton. The organization today provides volunteer disaster relief in the U.S. and abroad. Community services include collecting and distributing donated blood, and teaching health and safety classes.

1937 - In San Francisco, 200,000 people celebrated the grand opening of the Golden Gate Bridge by strolling across it.

Mothers Day History

Historians say the earliest Mother's Day celebration can be traced back to spring observances of ancient Greece honoring Rhea, the Greek mother of the gods.

In the US, Mother's Day was first suggested in 1872 by Julia Ward Howe as a dedication to peace. For many years Howe organized Mother's Day meetings in Boston, MA. In 1907, Anna Jarvis, a Philadelphia, PA school teacher,

began a campaign to establish a national Mother's Day. Jarvis persuaded her mothers church in Grafton, WV to celebrate Mother's Day on the Second anniversary of her mother's death which was on the second Sunday of May that year. Jarvis and her supporters wrote to ministers, businessmen, and politicians in their quest to establish a national Mother's Day. It was successful, and by 1911, was celebrated in almost every state in the nation.

Things moms say

Close the door. Were you born in a barn?
Don't make me come up there.
Do you think were made of money?
If everyone e jumped off a cliff, would you too?
Do you think money grows on trees?
Wait until your father gets home!
You can catch more flies with honey.
One, two three, (three and a half) ...

Happy Mother's Day!
