

Please keep the family and friends of Ted J. and Diane K. in your thoughts and prayers. Thank you.

"After a loved one passes, be encouraged by their passing and legacy. Instead of crying, live an inspired, spiritual, and happy life like they did when they were here. Live each day with encouragement knowing that they are proud and smiling down on you from Heaven."

THE MONTH OF MAY

May is the fifth month of the year and one of seven months with 31 days. It is believed to get its name from the Roman goddess of spring, fertility, abundance, and growth: Maia Majesta. In Greek mythology, Maia was the eldest and most beautiful of Atlas' seven daughters. She adopted Zeus' son Callisto, who was posthumously sent to the sky to become the Ursa Major. This constellation includes the Big Dipper, which shines brightly in the sky on clear May nights.

The Month of May

"The month of May is the pleasant time; its face is beautiful; the blackbird sings his full song, the living wood is his holding, the cuckoos are singing and ever singing; there is a welcome before the brightness of the summer."
