**Welcoming June**

June 5 is World Environment Day—a day meant to raise environmental awareness across the globe.

June 14 is Flag Day (U.S.). Be sure to raise the flag! Learn about the U.S. Flag Code, which provides guidelines for displaying the

American flag properly.

June 19 is Juneteenth (also known as Freedom Day or Emancipation Day). On this day in 1865, Union General Gordon Granger read the Emancipation Proclamation aloud in Galveston, Texas, effectively liberating enslaved people in the state, which had thus far been beyond control of the Union Army.

June 19 is also Father's Day this year. Find activity ideas and learn about the history of Father's Day here.

June 21 is National Indigenous Peoples Day (Canada). This holiday is meant to remind Canadians of the contributions of the many First Nations, Métis, and Inuit peoples.

June 24 brings Midsummer Day, traditionally the midpoint of the growing season, halfway between planting and harvesting. It is celebrated in many cultures on the night of June 23, as Midsummer Eve.

**Happy Father's Day!!**

A Dad is one who  
Is always there  
Can always be counted on
