Wisconsin

Wisconsin is a midwestern U.S. state with coastlines on 2 Great Lakes (Michigan and Superior) and an interior of forests and farms. Milwaukee, the largest city, is known for the Milwaukee Public Museum, with its numerous re-created international villages, and the Harley-Davidson Museum,

displaying classic motorcycles. Several beer companies are based in Milwaukee, and many offer brewery tours.

The bulk of Wisconsin's population live in areas situated along the shores of Lake Michigan. The largest city, Milwaukee, anchors its largest metropolitan area, followed by Green Bay and Kenosha, the third- and fourth-most-populated Wisconsin cities, respectively. The state capital, Madison, is currently the second-most-populated and fastest-growing city in the state.

Minnesota

Minnesota is a midwestern U.S. state bordering Canada and Lake Superior, the largest of the Great Lakes. The state contains more than 10,000 other lakes, including Lake Itasca, the Mississippi River's primary source. The "Twin Cities" of Minneapolis and state capital Saint Paul are dense with cultural landmarks like the Science Museum of Minnesota and the Walker Art Center, a modern art museum.

Minnesota is home to western prairies, now given over to intensive agriculture; deciduous forests in the southeast, now partially cleared, farmed, and settled; and the less populated North Woods, used for mining, forestry, and recreation. Roughly a third of the state is covered in forests, and it is known as the "Land of 10,000 Lakes" for having over 14,000 bodies of fresh water covering at least ten acres.

Michigan

Michigan is a state in the Great Lakes region of the upper Midwestern United States. It has land borders with Wisconsin to the southwest, and Indiana and Ohio to the south, and Lakes Superior, Michigan, Huron, and Erie also connect it to the states of Minnesota and Illinois, and the Canadian

province of Ontario.

Michigan consists of two peninsulas. The Lower Peninsula resembles the shape of a mitten, and comprises a majority of the state's land area. The Upper Peninsula (often called "the U.P.") is separated from the Lower Peninsula by the Straits of Mackinac, a five-mile channel that joins Lake Huron to Lake Michigan. The Mackinac Bridge connects the peninsulas.

Ohio

The State of Ohio is a state in the Midwestern United States. Of the fifty U.S. states, it is the 34th-largest by area. With a population of nearly 11.8 million, Ohio is the seventh-most populous and tenth-most densely populated state.

Its capital and largest city is Columbus, with the Columbus metro area, Greater Cincinnati, and Greater Cleveland being the largest metropolitan areas. Ohio takes its name from the Ohio River, which, in turn, originated from the Seneca word ohi yo', meaning "good river", "great river", or "large creek". Ohio is nicknamed the "Buckeye State" after its Ohio buckeye trees, and Ohioans are also known as "Buckeyes".
