Happening in November

There's plenty of fun to look forward to at Bradford Village this month! Get creative with a hands-on sock pumpkin craft, settle in for a relaxing movie afternoon complete with freshly popped popcorn, and prepare for an exciting special visit from Extreme Animals. Be sure to check out our "Micro Programs" before exercise, featuring interesting history tidbits and fun games to get your mind moving before your body does! With opportunities to express your creativity, enjoy a favorite film, learn something new, and experience amazing animals, there's something for everyone to enjoy. We hope you'll join us for a month filled with fun, laughter, and new experiences!

Happy Birthday

Aviation Month

Did you know November is Aviation History Month? Join us for fascinating programs exploring famous airplanes, remarkable aviation milestones, and the stories behind the aircraft that changed the way we travel. Come discover something new and take flight into history with us at Bradford Village!

Happy Thanksgiving!

Turkey & trimmings

It's Turkey Time!

You and your guests are invited to join the Bradford Village community for a Thanksgiving dinner on Thursday, November 19.

Enjoy a traditional Thanksgiving meal featuring turkey, stuffing, all the trimmings, salad, and dessert.

Invitations have been sent to friends and family whose contact information we have on file, so all you have to do is sit back and enjoy the evening!

Thank You, Veterans

Join us on November 11 after lunch in the lobby for a special musical performance by Peggy Jacobsen in honor of Veterans Day! Enjoy an afternoon of music, familiar tunes, and good company as we come together to recognize and celebrate the brave men and women who have served our country. It's a wonderful opportunity to share in the spirit of gratitude, reflect on the sacrifices of our veterans, and enjoy an uplifting afternoon of music and community.

A salute to those who served
