Team work makes the dream work!

Carolyn Spears is our new Life Enrichment Director for the assisted living department. Carolyn is from Yukon and a happily married, mother of three, full grown, beautiful, daughters. When

asked, how did she come to be our Life Enrichment Director? Carolyn simply replied I was blessed by the broken road that led me right to the door of Villagio.

Nakia Talley joins us as our Health and Wellness Director. Nakia is one of the most positive people you will ever meet. As mother of four boys, she has seen it all. Nakia comes to us with a long line of experience and between her faith in God and love of her family and others you can imagine what gives her such strength to be such a bright light in this world.

Last but certainly not least, Shelby Miller has joined us as our office manager. Shelby worked her way up ultimately receiving her health care administrator's degree this lady is smart! Shelby has an 11-year-old and a 4-year-old daughter both of whom are in softball as well as other sports. Needless to say, they really keep her on her toes!

My Father

My father is a man like no other. He believed in me, protected me, shouted at me, strengthened me, but most of all he loved me unconditionally. There're not enough words to describe what my father means to me and what an influence he still has on my life. It takes a special man to be a father and a dad, I love you dad!

Any man can be either a father or a dad, it takes a real man to be both!

Happy Birthday
