

Resident Spotlight-Patricia Schweiker

Pat Schweiker was born at her grandmother's house in Pine Hill on January 25th, 1944. Has fond memories of spending time with family in natural settings. She vacationed in The Pine Barrens on Oswego Lake and by the bay in Ocean City, N.J. Grounded in faith and love, she attended Sunday School at Memorial United Methodist Church in Pine Hill. St. Patrick's Day emphasized her mom's Irish heritage, featuring a corned beef and cabbage celebration, sprinkling in dad's Philly flavor.

Pat graduated from Overbrook H.S. in Pine Hill. She was Class President and stood tall while starring on the girls' basketball team. Would stand Pat in waiting for her high school friend to return from Vietnam; her "Dear Jack" letters to him blossomed into 31 years of marriage, anchored to a Cape May Honeymoon. P.S.: Was blessed with a son and 2 granddaughters.

Ms. Schweiker was Executive Secretary for Rohm and Haas Chemicals. As Event Coordinator, she scheduled Stockholder Meetings at The American Philosophical Society in Philadelphia. With rare paintings of George Washington on site, Pat confirmed that her company was insured against any property damage during meetings. Her experience in protecting

family valuables at Clementon Park served her well in this billion dollar environment.

She has camped out in New England, sunbathed in Florida and made lifelong friends in Europe. Can still taste the French Onion Soup while dining at a sidewalk cafe in Paris. Pat chuckles when recalling a night at a German Beer Hall, ending with a limo ride home, courtesy of 2 nuns and a priest!

Ambassador Pat participates in outings with residents in our community. Enjoys attending school musicals, exploring museums and lunch socials at Olga's Diner and LaScala's Italian Restaurant.

Congratulations, Pat, on being this month's spotlight.

Pat with the daughter of her godchild.
