

## Spring Table Gardens

Our Spring Table Gardens brought a burst of color and creativity to the community! Residents had a wonderful time designing their own faux floral arrangements, each one as unique and vibrant as the person who made it. The room buzzed with laughter, conversation, and a sense of pride as everyone crafted their perfect springtime centerpiece. These beautiful creations now brighten our tables and our spirits!

## Jessie's 100th!

We pulled out all the stops to celebrate Jessie's incredible 100th birthday on April 28th! The festivities were filled with love, laughter, and lively fun—from delicious cake to toe-tapping music and dancing. With live entertainment and a room full of smiles, it was a day to remember for our amazing centenarian. Happy 100th, Jessie! What a beautiful life and legacy you continue to share with us!

## Special Event Series

In partnership with the **Wayland Council on Aging** and Carriage House, Chloe Chitkara, a junior at **Rivers School**, hosted a special series of intergenerational events this April. Each gathering brought seniors and school-age kids together for fun, conversation, and connection. All three events were a big hit and left a lasting impact on everyone who attended!

## Make Way for May

May is bursting with fun, and we can't wait to dive in! We'll be getting our hands dirty as we kick off our garden projects and lace up our sneakers for walking group adventures along local rail trails. A festive Cinco de Mayo celebration and a lovely Mother's Day champagne brunch are just around the corner. We're also thrilled to welcome Michael Winward for an elegant and energetic ballroom dancing class.

With so many joyful activities ahead, it's shaping up to be a truly marvelous May!

## Barnyard Fun

We had an udderly delightful time during our visit from **Barn Babies!** Residents were all smiles as they cuddled tiny piglets, fluffy bunnies, baby goats, and even a puppy or two. The room was filled with laughter, gentle coos, and pure joy as everyone got a chance to hold and bond with the adorable farm animals. It was a heartwarming day that brought comfort, connection, and lots of cuddles!
