

March Madness!

March kicks off with the spirited celebration of St. Patrick's Day, where we will be having our St. Patrick's Day Olympics. Medals will be awarded! The joyous observance of Purim, the arrival of Spring and Easter festivities follow.

Please join us for our Annual Easter Egg Hunt on Friday, March 29th at 3:30p.m.. Bring your children, grandchildren or great-grandchildren under the age of 10.

Please register at the front desk if you are planning to attend.

Brian will be presenting the March Madness Basketball brackets each week, starting on the 19th.

Happy Birthday

Celebrate our March birthdays on 6th March at 2:00p.m.

Women in American History

Women have played pivotal roles throughout American History, contributing significantly to various fields, including politics, science, literature, activism, and more. Here are just a few notable women in American History: Susan B. Anthony played a key role in securing women's right to vote with the passage of the 19th Amendment in 1920. Harriet Tubman, an escaped slave, who became a leading abolitionist. Sandra Day O'Connor became the first female justice on the United States Supreme Court. These women and a number of countless individuals shaped American history and continue to inspire generations with their contributions and achievements.

"Women change the world by being who they are."
